

Preface

The 2026 8th International Conference on Global Economy and Business Management (GEBM 2026) for the researchers and experts was successfully held in New Delhi, India during May 30-31, 2026. This conference provides a forum for accessing to the most up-to-date and authoritative knowledge, sharing the best practice in the fields of global economy, world trade, financial investment, real estate, economic policy, e-commerce, and business management.

The GEBM 2026 program covered invited, oral, and poster presentations from scientists working in similar areas to establish platforms for collaborative research projects in these fields. This conference brought together many participants to exchange and share their experiences, present research results, explore collaborations and to spark new ideas, with the aim of developing new projects in these fields.

The organizing committee appreciates the enormous work of the both the editorial board and reviewers in the preparation of this volume. Many thanks also to all authors for their flexibility and meeting deadlines.

With warmest regards,

GEBM Conference Organizing Committees
