

Preface

The 2026 6th International Conference on World Economy and Project Management (WEPM 2026) was successfully held during February 07-08, 2026 in Singapore. This conference is the premier forum for the presentation of new advances and research results in the fields of world economy, economic policy, financial investment, project management, innovation management, e-business management, and social science. The events brought together researchers, scientists, experts, and scholars from various areas to discuss problems and solutions in these fields, to identify new issues, and to shape future directions for research.

WEPM 2026 was composed of 2 sessions with 4 keynote speeches and 16 oral reports presented in this conference. Each keynote speech and oral report took 20-30 minutes and 5-10 minutes, respectively. All papers included in the conference proceedings were peer reviewed according to international standards.

We would like to deeply acknowledge all the parties involved in making WEPM 2026 successfully held. Besides, we wish to thank all authors and participants for providing their valuable contributions for this proceeding as well as the reviewers for their constructive recommendations and criticism aiding to improve the presented papers.

With best regards,

WEPM Conference Organizing Committees
